

SHELANTI PRIVATE SCHOOL

Dear Parent and Learner

The following are the principals of implementation on which the code of conduct is based.
The implementation goes hand in hand with your demerit check list.

- a) . 3 demerits, in the same category, will warrant detention, 1hr for grade 4 & 5,
2hrs for grade 6 & 7.
- b). Another 3 demerits, in any category: 3 break times (first break only)
- c). Another 3 demerits, in any category: 3 phys ed classes with coach, will be substituted
with phys-ed classes as prescribed in the curriculum, and facilitated by the class teacher.
- d). Another 3 demerits, in any category:
3 Computer classes, which is not part of their curriculum

Every learner also has the opportunity to redeem themselves with the same rule of
"3" s: 3 weeks of no demerits, 1 demerit can be redeemed.

In addition to these steps for behaviour modification, an immediate consequence will also be put into place. For all tasks, projects and homework not done, the learner will stay after school on the same day, to complete the specific task. You will therefore receive notification of a collection time at short notice.

Please discuss these terms with your child again and ask them to sign it with you.

Warmest regards
