The following in-school, Enrichment Programmes are made available to your child during school hours:

MiniChess:

This programme is available to both Foundation and Intermediate Phase learners and takes place on Wednesday, Thursday and Friday mornings, during school times. The MiniChess program was developed over years of teaching chess to “entry phase” learners (5 to 9 years of age) as part of the school curriculum. It has already been used on a trial basis, with great success, at a number of schools in SA. For more information, please visit our website!

Living Maths:

Mr S and Mr B visit the Foundation Phase learners for their Living Maths periods on a Wednesday afternoon. Today, Living Maths proudly works with about 4500 learners per week in areas as diverse as Gugulethu and Constantia! They have successfully run the world’s first Maths Olympiad to cater or grade R-9 as well as the Loving Maths Programme for grades R-3 at several schools and this programme is rapidly expanding to more schools each year.

Marimba Band and Drumming Band Practise:

Our talented drumming teacher, Rosco Charles, teaches all learners drumming on a Friday as well as offering private lessons after school (see above).

Junior Marimba: Wednesday 14h00 – 14h30

Senior Drumming Band: Wednesday 14h30 – 15h00

Senior Marimba Band 15h00 – 15h30

Vocal Group:

This group is led by Owethu Ndwandwe and takes place on a Tuesday from 14h00 – 15h00

Drama:

This verse/ poetry / drama group is led by Ms Izel Theunissen and is supported by Rosco Charles.
