- **WINTER UNIFORM ORDER FORMS** will be sent out this week to allow parents to order their winter items for TERM 2.

PRINCIPAL'S LETTER

Dear Shelanti Parents

Welcome to week 2.

Our aim this year is to take back all we had to put on hold or change due to COVID. We therefore started the year with a bang. Shelanti's first 3 days was filled with great excitement.

Our new grade 1's settled in quickly and it was wonderful to see how excited they came to school each day.

We completed all our extra-mural auditions and the permission slips were sent out along with the extra-mural program for the year.

The Intermediate phase learners were reminded of all the policies and procedures pertaining to academics and their conduct. Please see the document attached.

During these orientation sessions we reiterated the values of Shelanti. Excellence, Integrity and Benevolence. Each grade therefore also chose their values for the year. Shelanti focuses on values rather than rules and by involving the learners in this process gives them ownership of these values and then of their conduct.

We also hosted our first, in person PTA meeting, in a year. Attached the names of these ladies. I want to thank them for their enthusiasm and dedication to fulfil their responsibilities this year. Please do not hesitate to call on them if you need anything. Leigh Geldenhuys is the Head of the PTA and she is always willing to assist where she can. At this meeting the Intermediate Phase Code of Conduct was accepted, our community outreaches for the year and Tuck Shop sales on a Friday at second break were approved. Please note that these sales will include some sweets. Ellouise and her grade 6 parents will run the tuck shop, she will send more information out nearer to the time.

Just a reminder for one parent of each household to attend our meet and greet evening tonight at 19:00. As a staff we regard these events as an opportunity to build relationships and to foster parent involvement. We ask that you meet in your grade class where your class teacher will cover topics e.g. homework, values, assessments, integration and many more.

For the first time in 2 years our Intermediate phase learners will go on camp. This makes for memories that will last a life time. It also binds a group together and often new friendships are forged.

My advice to all parents is; hold on to your hats, 2022 is a year for renewal.

DEIRDRE KEMPEN

2022 SOS CAMP

In preparation for your SOS camp from 24 - 26 January 2022 at the RIVER SITE, we include the following:

DOCUMENTS REQUIRED FOR YOUR CAMP:

MEDICATION

Any children who will need medication administered to please complete the Medical Request Form attached and sent to school with full instructions for the teacher to administer and manage.

Our first aid teachers are Hanneke Viljoen and Chenelle Visagie.

FREE FACEBOOK PARENT BUSINESS DIRECTORY PLATFORM

The purpose of this group is to create a platform for Shelanti parents and Shelanti Alumni to connect, network and support each other as a business community. It is also a platform where you can promote and advertise your services for FREE. You can also buy or sell things.

This will help us get support for our parents and suppliers in these challenging economic times.

Should you be interested in marketing your business to our families, email sasha@shelantiprivate.school.co.za to get started.

School Song

Verse 1

In view of Table Mountain
Where the ocean meets the shore,
Our foundations built on symbols of strength,
This place is where we roar.

Chorus

Shelanti, Shelanti
Courage, Insight, Faith.
I wish for you what I wish for myself.

Verse 2

We embrace all of Life's challenges
Creatively and with dignity.
My strengths are truly acknowledged
In this school where I belong.

Chorus

Shelanti, Shelanti
Courage, Insight, Faith.
I wish for you what I wish for myself.

Verse 3

We walk in God's light, shining bright
To live by faith and prosper by grace.
We dance with joy to the beat of our drums
O, Shelanti, we salute.

Chorus

Shelanti, Shelanti
Courage, Insight, Faith.
I wish for you what I wish for myself.

THE LOVE OF READING

LIBRARY

Fostering lifelong readers

As a staff we are passionate about reading and promoting reading in learners. This year we will make a concerted effort to ignite a love of reading.

Each grade has specific reading periods where either the teachers read to the learners or the learners read along with the teacher. We will also continue with DEAR week (Drop Everything And Read) week later this term and once our themes for the term is completed we will continue to read to the school during assemblies.

Teacher Sam has volunteered her time to run the library and allow access to all our learners. The Foundation Phase now has a specific library period. They will receive a personalized library card for free. Teacher Sam will then open a lending card for each learner on which the books taken out and returned will be documented. The learners will be asked to sign next to the books they choose and will be held accountable to return the book in a week. If they want to extend the lending time they can do so during their library period.

The library will also be open to Intermediate phase learners on a specific day in the week during second break.

Why do we regard reading as important?

<https://images.app.goo.gl/DESP4GpTMAAtG1Efk7>

Incentives:

Before each book is returned the class teacher will ensure that the learner has read the book. The Intermediate Phase learners will be asked to write a book report.

For each book read, the learner will receive house points, for every 3 books read the learners will receive a gratitude gift. The learner/s that read the most amount of books will be given a voucher for lunch with a friend.

While reading on an iPad is an option, reading and choosing a book is a different experience. We ask your support with this initiative. We ask that you read with or to your child for 10 minutes each day. Combining this with bed time makes for some special one on one time. Your child will also then associate reading with a special time with you.

Remember the focus is on the love of reading not reading accuracy. So please don't ask your child to spell/sound words out they can't read, just read the word for your child. This will eliminate all anxiety and stress that goes with reading.

I will send some tips on how to read with your child in the next newsletter.

Happy reading.
