PRINCIPAL'S LETTER

Dear Parents,

As we begin Week 6, we've officially reached the halfway point of Term 1—how time flies!

This week marks the conclusion of our Metacognition program, meaning our learners will now have a full set of Thinking Tools at their disposal. We will continue reinforcing this vocabulary during lessons to ensure lasting understanding.

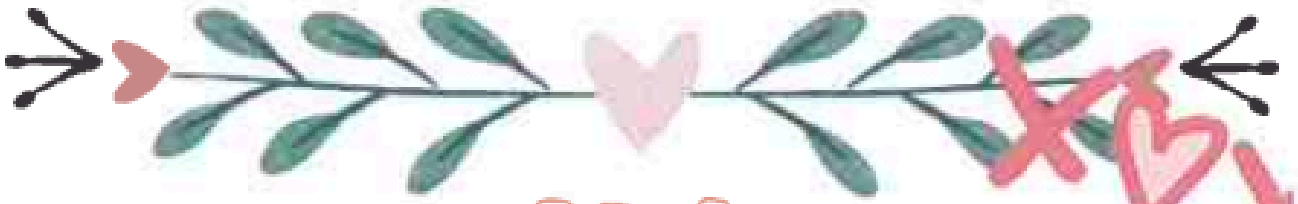

Sports Day practice is in full swing, and the excitement among our learners is contagious! If you're available to volunteer as a marshal on the day, please reach out to me directly—we would greatly appreciate your support.

A reminder to save the date for our Parent Training Evening on Monday, 17 February at 18:00. This event will feature three insightful workshops aimed at equipping you with valuable parenting and communication strategies. We encourage at least one family member to attend and look forward to seeing you there.

Additionally, our first ASD Parent Meeting will take place on Saturday morning, 15 February at 9:00am. Parents of children on the autism spectrum are warmly invited to join. If you would like more information, please don't hesitate to contact me.

Wishing you all a fantastic week ahead!

Don't Forget

Happy Valentines
