Growing Strong Thinkers at Shelanti

Over the next few weeks, our focus at Shelanti will be on developing learners' thinking tools – the skills that help children manage their behaviour, organise their thoughts, regulate emotions, and approach learning with confidence and independence. We believe that how a child learns is just as important as what they learn.

Why This Matters

When learners are taught how to think effectively, they are better able to:

Work independently

Stay focused and ignore distractions

Persist through challenges

Learn from mistakes

Transfer knowledge to new situations

Build confidence and resilience

These skills support not only academic success but also life readiness.

Thinking Tools We Will Be Developing

We will be strengthening skills such as:

Self-regulation – managing behaviour and impulses

Working memory – focusing on what is important

Precision & accuracy – understanding and following instructions carefully

Confidence – believing “I can try again”

Attention skills – filtering out distractions

Emotional awareness – understanding how feelings affect learning

Effort & perseverance – recognising that effort leads to improvement

How You Can Support at Home

You can help by:

Praising effort rather than results

Asking your child to explain their thinking

Encouraging them to try again when tasks feel difficult

Helping them break tasks into steps

Our aim is to nurture confident, self-aware, independent learners who are equipped for both school and life.

Thank you for partnering with us.

UNIFORMS

IMPORTANT NOTICE: SHELANTI NEW UNIFORMS NOW SUPPLIED EXTERNALLY FOR 2026

Dear Parents and Guardians,

We are pleased to inform you that Shelanti Private School has partnered with a dedicated uniform supplier/manufacturer to streamline and improve the ordering and availability of new school uniforms for 2026.

What This Means:

Certain NEW formal and PE uniforms (for both Summer and Winter) will now be available through a designated uniform supplier. **Please note that we will be placing seasonal orders per term to try to allow for bulk ordering with manufacturer. Please note there will be limited stock at the shop due to our small numbers, so please place your seasonal orders early in the new term.**

This change allows for better consistency, quality, and convenience for our families as you can pop in 6 days a week to collect or order you uniforms.

And the supplier can also for a fee tailor the uniform as needed.

Ideally, we would recommend that you bring your child in to fit.
